Prior experience declared to this employer at appointment

The employee declared six years of prior service in financial technology in India (2006–2012) before joining this company. That service is outside this company's records and this certificate makes no representation about it.

Scope of responsibilities

As Chief Technology Officer the employee is accountable for the company's core platform, payment switch integration, information security, and technology risk reporting to the Board. He serves on the Executive Committee.

R. Ndeshipanda
